At Integrum Law we know how important employment relationships are and we know how difficult it can be when things go wrong.

We can advise on:-

Preparing and updating contracts of employment

Drafting and revising staff handbooks and other policy documentation

Unfair and/or wrongful dismissal

Grievance and disciplinary matters

Matters related to the termination of the employment relationship

Redundancy

Transfer of Undertakings

Compromise Agreements

Maternity and parental rights and flexible working

Time off for dependants

Equal pay, sex, race, age and disability discrimination

Breach of Contract

Civil Court and Employment Tribunal procedure

Our unique employ@integrum service allows employers on a budget to protect themselves by providing tailor made contracts of employment and staff handbooks for a fixed one off fee.
